Regional Forum:
Climate Change Finance and Sustainable Development

Introduction

Sujala Pant
UNDP Bangkok Regional Hub
Objectives of the Forum

1. To learn particularly from experiences about integrating climate change into the planning and budgeting process, and how this can lead to poverty reduction and achieving sustainable development

2. To launch the Regional Skills Building and Peer Learning Network

3. To develop key messages that can be taken forward at the country, regional, and international levels
Daily objectives

DAY 1
To establish a common understanding of how development finance, as well as other sources of finance can help to meet SD

HIGHLIGHTS
❖ Overview from the region
❖ Specific country experiences
❖ Launch of the Regional Network

DAY 2
To convey the centrality of the budget system in linking climate finance with SD objectives, and the different ways in which they can be financed

HIGHLIGHTS
❖ Different sources of financing
❖ Delivery mechanisms that are pro-poor and enable inclusive growth
❖ South-South Pasar

DAY 3
To understand how climate finance expenditures can be tracked and linked to development outcomes.

HIGHLIGHTS
❖ Existing methods for tracking
❖ Parallel sessions
❖ Linking domestic framework for monitoring climate expenditures with emerging global frameworks
Parallel sessions

**Parallel Session 9a:**
Learning from Tracking Adaptation and Measuring Development (TAMD)

**Parallel Session 9b:**
The role of Parliament and Civil Society in ensuring an accountable use of Climate Finance

**Parallel Session 9c:**
Tracking the integration of climate change in the national planning and budgeting systems.
Expected outputs

• A set of key messages that can be taken forward at the country level, as well as in global forum, such as the SDGs conference, and COP 21.
• Regional Peer to Peer Learning Network launched
• Ideas for future initiatives and programming
• Ideas for future initiatives and programming
• A Government of Indonesia detailed workshop report in Bahasa
• A summarized and consolidated workshop report in English
• Thumb-drive with all materials
A Dynamic Setting

• Internet café: you can access the CPEIR database
• Interviews: a video of your reflections will be made
• Side meetings: using the opportunity of various stakeholders in one place
• South-South Pasar
• Registration – photos for Who’s Who
